Tom Graveson Thomas Graveson (born 7 February 1944) is a British writer of comedy plays and monologues. Born and educated in London, Graveson trained at the Royal Academy of Dramatic Art. His first play, A Handful of Flying Grannies, was written for radio and first performed in 1982. Other plays and monologues include A Handful of Flying Grannies Comic Heir to the Audience A Man of the People Not Working (play) References External links Category:1944 births Category:Living people Category:20th-century English dramatists and playwrightsQ: Passing std::string to function template argument without copying The following code prints "false". I would expect the output to be "true", since the lhs of the expression is a const string. Why does the output come out to be "false"? #include <string> using namespace std; int main() { const string s("hello"); string t(s); cout << t << endl; return 0; }
