levels are all very different and interesting! There are challenging platformer levels, fights, traps, enigmas.. Crazy Dreamz : Best Of, un jeu conu partir des 100 meilleurs niveaux crs par la communaut dans le prcdent jeu gratuit Crazy Dreamz : MagiCats Edition. Le concept de base memballe, encore plus quand on sait que cette dite communaut qui a cr les 100 niveaux va recevoir la moiti des revenus gnrs par le jeu !! Bravo pour cette initiative, cest assez rare pour tre soulign, surtout que lon parle ici dun studio indpendant. Au-del de a, chapeau aux artistes qui nous livrent de trs beaux graphismes, cest du dessin la main et a fonctionne super bien. Lhistoire casse pas 3 pattes un canard mais elle suffit largement pour avoir un fil conducteur travers tous les niveaux trs varis (les joueurs ont eu beaucoup dimagination). Ca passe de niveaux marrants, des plus narratifs, des plus sournois remplis de piges etc, on sennuie pas ! Je vous le conseille, a change des jeux de plateforme habituels, et de mon ct japprcie de pouvoir soutenir non seulement le studio mais aussi les joueurs crateurs de niveaux.. A very good surprise for me! The art is really beautiful and cute, and the levels are all very different and interesting! There are challenging platformer levels, fights, traps, enigmas.. Really good game.. I like this game, it's cute and I think it's a good game for kids.. I am usually not a fan of this kind of game. However, I am quite tired recently and want to find a game which can bring the relax. This game reminds me of Rayman, which is my childhood. I spent several hours quite fun and relaxed on it and I also recommend to my friends.. Pros: Hand drawn art 50% of the revenues go to players who created levels in the game Original and very different levels Humor Difficulty Cheap Cons: Could be a bit longer Some players were probably drunk when they made their levels (which is also funny tho)
